

Dear CES Families,

We are excited to announce that, for the sixth year in a row, Central Elementary is participating in The Great Kindness Challenge! The 2020 version allows us to join thousands of schools across the country to create a culture of kindness. Your child is a powerful and positive part of a bullying prevention initiative that will lead to more kindness, unity, and respect at

school, and beyond. To help build upon this momentum, we are participating in a unifying service project, Kind Coins for Mexico, to help build a new school and friendship center in Tijuana. This is a great opportunity for our students to respond to the needs of others and allows them to learn about another culture, expand their compassion and become global citizens. Thank you in advance for helping create a culture of kindness and compassion in our community and beyond!
