Dear Archery Parent/Guardian

We will be checking archery team grades each interim and at the end of the grading period (every 4 weeks). If a student has any grade below a D with they will be unable to compete in any tournaments until the next grade check. They will be permitted to attend practice but ½ of the time must be spent in study hall with an administrator. If during the next grade check the grade has not improved the student will be removed from the team.

Dates for grade checks are:

November 20th

January 11th

February 12th

March 16th

April 24th

If at any point and time the student's behavior earns them a referral this includes the bus and classroom they will be placed on probation for a week during which time they may not participate in archery for a week (this includes practices). If another referral is received, the probation increases to two weeks (this includes practices and if applicable tournaments). Once they arrive at their 3rd referral, the student will be removed from the team.

Please understand the coaches of the Archery Team are doing this on their own time. Due to this we will not tolerate rude or disrespectful behavior at any time. We want give each child who makes the team the best opportunity to improve their skills, and in order for this to occur we expect behavior to be exceptional.

If you have any questions or concerns about what is stated in this letter, please call us at 946-9700.

Sincerely,

Coach Larry Thomas

Assistant Coach Nathan Young

Wanda Smith, Principal

Derek Adam, Assistant Principal

Thank you in advance for supporting our fabulous archery team!
