

Dear Parent/Guardian,

We are excited to announce that we are participating in The 2020 Great Kindness Challenge where we will join thousands of schools across the country to create a culture of kindness. Your child is part of a powerful and positive bullying prevention initiative that will lead to more kindness, unity, and respect at school and beyond. To help build upon this momentum, we are participating in a unifying service project, Kind Coins for Mexico, to help build a new school and friendship center in Mexico.

All students are invited to participate by giving their extra coins! From now until March 1st, 2020, students can collect spare change at home and in their neighborhoods to be donated to support kids in Mexico.

This is a great opportunity for our students to learn about another culture, expand their compassion, and become active global citizens.

Thank you in advance for helping to create a culture of kindness and compassion in our community and beyond!

With Great Gratitude,

Your Principal
